*Here I am waiting  
Where is my beloved*

*I've searched for you  
Now that I've found you  
Calm the desire of my heart*

*Sealed forever to you  
Sweetheart you are so precious  
I pledge my love to you alone*

*I desire you (desire)  
True to you alone (alone)  
With you joy will ever be mine*

*You're mine (you're mine)  
Oh, my lei (Oh, lei)  
You're mine, my lei*

*Fond remembrance of the one who came  
My fragrant lei  
Drenched in the rain*

*Listen you, my heart's desire  
To the thought within me  
Open the heaven within my body*

*My flower, my fragrant lei  
I will string and bind  
Like the fragrant jasmine flower*

*You are my blossom (you, my blossom)  
My lei of lehua (lehua)*

*My desire is always to be with and close  
To my love*

*My lei (my lei)  
You're mine  
My lei, you're mine*
