

# Roses Are Red My Love (Paul Evans and Al Byron)

332

## Chorus:

**C**            **F**                            **C**  
 Roses are red my love violets are blue  
           **F**                            **G7**                            **C** **F** **C**  
 Sugar is sweet my love but not as sweet as you

**G7**                            **C**  
 A long long time ago on graduation day  
           **F**                            **G7**                            **C**  
 You handed me your book, I signed this way

## (Chorus)

**G7**    **C**  
 We dated through high school and when the big day came  
           **F**                            **G7**                            **C**  
 I wrote into your book next to my name

## (Chorus)

**G7**    **C**  
 Then I went far away and you found someone new  
           **F**    **G7**                            **C**  
 I read your letter dear and I wrote back to you

## (Chorus)

**F**    **C**  
 Roses are red my love violets are blue  
           **F**    **G7**                            **C**  
 Sugar is sweet my love good luck may God bless you

**G7**    **C**  
 Is that your little girl she looks a lot like you  
           **F**    **G7**                            **C**  
 Some day some boy will write in her book too

## (Chorus)
