

**BACKUP SONG**  
**On the Road Again (Willie Nelson)**

**C**  
 On the road again

Just can't wait to get on the road again

The life I love is making music with my friends

And I can't wait to get on the road again

**C**  
 On the road again

Goin' places that I've never been

Seein' things that I may never see again

And I can't wait to get on the road again

**Chorus:**

**F**  
 On the road again

Like a band of gypsies we go down the highway

We're the best of friends

Insisting that the world keep turning our way and our way

**C**  
 Is on the road again

Just can't wait to get on the road again

The life I love is making music with my friends

And I can't wait to get on the road again
