

On the Road Again (Willie Nelson)

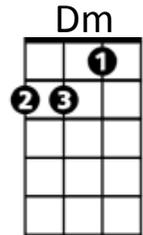

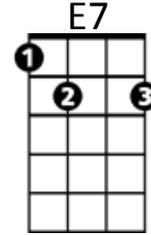

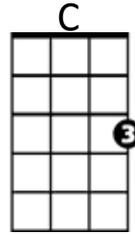

C
On the road again

Just can't wait to get on the road again

The life I love is making music with my friends

And I can't wait to get on the road again

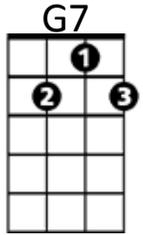

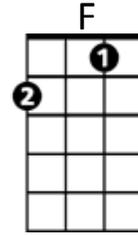

C
On the road again

Goin' places that I've never been

Seein' things that I may never see again

And I can't wait to get on the road again

Chorus:

F
On the road again

Like a band of gypsies we go down the highway

We're the best of friends

Insisting that the world keep turning our way and our way

C
Is on the road again

Just can't wait to get on the road again

The life I love is making music with my friends

And I can't wait to get on the road again

(Chorus and last verse)

F G7 C F G7 C
And I can't wait to get on the road again
