**In the Summertime (Ray Dorset, 1968) (C)**

In the Summertime by Mungo Jerry (1970) (E @ 164)

**Intro Melody for verse**

**C**  
In the summertime when the weather is high,  
You can stretch right up and touch the sky,

**F**  
When the weather is fine, you got women,

**C**  
You got women on your mind.

**G**  
Have a drink, have a drive,

**F** **C**  
Go out and see what you can find.

**C**  
If her daddy's rich, take her out for a meal,  
If her daddy's poor, just do as you feel.

**F**  
Speed along the lane, do a ton or a ton and

**C**  
twenty-five.

**G** **F**  
When the sun goes down, you can make it,

**C**  
Make it good in a lay-by.

**C**  
We're no threat, people, we're not dirty,  
We're not mean,  
We love everybody but we do as we please.

**F**  
When the weather is fine, we go fishing

**C**  
or go swimming in the sea.

**G**  
We're always happy,

**F** **C**  
Life's for living, yeah, that's our philosophy.

**C**

When the winter's here, yeah, it's party-time,  
Bring a bottle, wear your bright clothes,  
it'll soon be summertime.

**F**  
And we'll sing again, we'll go driving

**C**  
or may-be we'll settle down.

**G**  
If she's rich, if she's nice,

**F** **C**

Rock and Roll Music (Chuck Berry)

**G7** /// (4 STRUMS)

Just let me hear some of that

**C**  
 Rock and roll music any old way you choose it  
     **F**                                    **C**  
 It's got a back beat, you can't lose it - Any old time you use it  
     **G7**  **C**  
 It's gotta be rock and roll music - If you wanna dance with me  
**G7**                            **C** (STOP)  
 If you wanna dance with me

**TACET**                    **G7**  
 I have no kick against modern jazz  
**G7**                            **C**  
 Unless you try to play it too darn fast  
                             **F**  
 I lose the beauty of a melody  
                             **G7**  
 Until it sounds just like a symphony  
**TACET**  
 That's why I go for that...

**C**  
 Rock and roll music any old way you choose it  
     **F**                                    **C**  
 It's got a back beat, you can't lose it - Any old time you use it  
     **G7**  **C**  
 It's gotta be rock and roll music - If you wanna dance with me  
**G7**                            **C** (STOP)  
 If you wanna dance with me

**TACET**                    **G7**  
 I took my love on over 'cross the tracks  
**G7**                            **C**  
 So she could hear a man a-wailin' sax  
                             **F**  
 I must admit they had a rockin' band  
                             **G7**  
 And they were blowin' like a hurrican'  
**TACET**  
 Just let me hear some of that

**C**  
Rock and roll music any old way you choose it  
**F C**  
It's got a back beat, you can't lose it - Any old time you use it  
**G7 C**  
It's gotta be rock and roll music - If you wanna dance with me  
**G7 C (STOP)**  
If you wanna dance with me

**TACET G7**  
Way down south they gave a jubilee  
**G7 C**  
And Georgia folks, they had a jamboree  
**F**  
They're drinkin' home brew from a wooden cup  
**G7**  
The folks dancin' got all shook up  
**G7**  
And started playin' that...

**C**  
Rock and roll music any old way you choose it  
**F C**  
It's got a back beat, you can't lose it - Any old time you use it  
**G7 C**  
It's gotta be rock and roll music - If you wanna dance with me  
**G7 C (STOP)**  
If you wanna dance with me

**TACET G7**  
Don't get to hear 'em play a tango  
**G7 C**  
I'm in no mood to take a mambo  
**F**  
It's way too early for the congo  
**G7**  
So keep on rockin' that piano  
**G7**  
That's why I go for that

**C**  
Rock and roll music any old way you choose it  
**F C**  
It's got a back beat, you can't lose it - Any old time you use it

Folsom Prison Blues – Johnny Cash

Key G

**G**  
I hear the train a comin' , It's rollin' 'round the bend

**G7**  
And I ain't seen the sunshine - Since, I don't know when

**C** **G**  
I'm stuck in Folsom Prison, and time keeps draggin' on

**D** **G**  
But that train keeps a-rollin', on down to San Antone

**G**  
When I was just a baby, my Mama told me, "Son

**G7**  
Always be a good boy, don't ever play with guns"

**C** **G**  
But I shot a man in Reno, just to watch him die

**D** **G**  
When I hear that whistle blowin' - I hang my head and cry

**G**  
I bet there's rich folks eatin', In a fancy dining car

**G7**  
They're probably drinkin' coffee, and smokin' big cigars

**C** **G**  
But I know I had it comin', I know I can't be free

**D** **G**  
But those people keep a-movin', and that's what tortures me

**G**  
Well if they freed me from this prison, if that railroad train was mine

**G7**  
I bet I'd move it on a little - farther down the line

**C** **G**  
Far from Folsom Prison, that's where I want to stay

**D** **G**  
And I'd let that lonesome whistle ~ Blow my blues away

**D** **G**  
And I'd let that lonesome whistle ~ Blow my blues away

I Still Haven't Found What I'm Looking For (U2, Bono)

**C**  
I have climbed the highest mountains, I have run through the fields

**F** **C**  
Only to be with you, only to be with you

**C**  
I have run, I have crawled, I have scaled these city walls

**F** **C**  
These city walls, only to be with you

**Chorus:**

**G** **F** **C**  
But I still haven't found what I'm looking for

**G** **F** **C**  
But I still haven't found what I'm looking for

**C**  
I have kissed honey lips, felt the healing fingertips

**F** **C**  
It burned like fire, this burning desire

**C**  
I have spoke with the tongue of angels, I have held the hand of a devil

**F** **C**  
It was warm in the night, I was cold as a stone

**(Chorus)**

**C**  
I believe in the Kingdom come, then all the colors will bleed into one

**F** **C**  
Bleed into one, but yes I'm still running.

**C**  
You broke the bonds and you loosed the chains, carried the Cross and all my shame

**F** **C**  
All my shame, you know I believe it

**(Chorus 2x) (Pitch down second chorus)**

## Maybellene, (Chuck Berry) (NN)

Intro: 1

**Chorus:**

1

Maybellene, why can't you be true

4(7)

1

Oh, Maybellene, why can't you be true

5(7)

4(7)

1

You've started back doin' the things you used to do

1

As I was motivatin' over the hill  
 I saw Maybellene in a Coupe de Ville  
 Cadillac rollin' on the open road  
 Nothin' outruns my V-8 Ford  
 Cadillac doin' 'bout 95  
 Bumper-to-bumper, rollin' side by side

**(Chorus)**

1

Cadillac rolled up ahead of the Ford  
 The Ford got hot, wouldn't do no more  
 It soon got cloudy and it started to rain  
 I tooted my horn for the passing lane  
 Rain was pourin' under my hood  
 I knew that was doin' my motor good

**(Chorus)**

1

Motor cooled down, the heat went down  
 That's when I heard that highway sound  
 The Cadillac sittin' like a ton of lead  
 A hundred and ten, half a mile ahead  
 The Cadillac looked like it was sittin' still  
 I caught Maybellene at the top of the hill
