I could just sit around, making music all day long.

As long as I'm makin music I know I can't do nobody wrong.
Dm
And who knows, maybe someday, I'll come up with a song
G
makes people want to stop their fussing and fighting
F C
Just Long enough to sing along.

C Dm
Music is love and love is music if you know what I mean
G F C
People who believe in music are the happiest people I've ever seen
Dm
So clap your hands and stomp your feet and shake your tambourines

Lift your voices to the sky, God loves you when you sing.

Music is the universal language, and love is the key

Find out what it really means to be young and rich and free.
