

Intro: Chords for last 4 lines of chorus

v1:

Spend all your time waiting for that second chance  
For a break that would make it okay; there's always some reason  
To feel not good enough; And its hard at the end of the day  
I need some distraction; Oh beautiful release  
Memory seeps from my veins; Let me be empty  
Oh and weightless and maybe; I'll find some peace tonight

chorus:

In the arms of the angel  
Fly away from here  
From this dark cold hotel room  
And the endlessness that you fear  
You are pulled from the wreckage  
Of your silent reverie  
You're in the arms of the angel  
May you find some comfort here

v2:

You're so tired of the straight line; And everywhere you turn  
There's vultures and thieves at your back; And the storm keeps on twisting  
You keep on building the lie; That you make up for all that you lack  
It doesn't make any difference; Escaping one last time  
Its easier to believe; in this sweet madness oh  
This glorious sadness that; brings me to my knees -- CHORUS

ending:

In the arms of the angel  
May you find some comfort here
