**v1:**

The sun comes up and brings the dawn as usu - al  
 When I awake I find you gone, as usu - al  
 But I can't find the way to let, this crazy heart of mine forget  
 I pretend you're still beside me, as usu - al

**v2:**

Each evening I take a walk, as usu - al  
 I make believe that we still talk as usu - al  
 People always stop and stare  
 I guess they just don't see you there  
 Don't they know you'll always be right here as usu - al

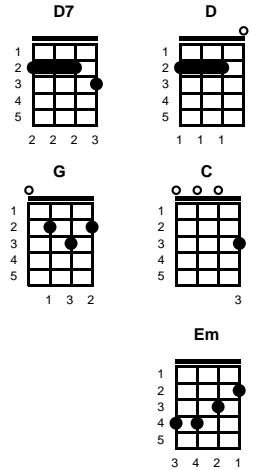

**v3:**

Today I looked into my mirror as usu - al  
 I told myself that you still care as usu - al  
 And as I stood there telling lies  
 The tears began to fill my eyes  
 Cause I know I'm only fooling myself as usu - al

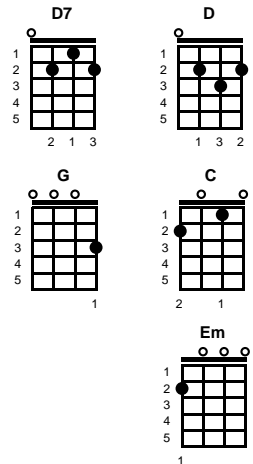

**ending:**

Cause I know I'm only fooling myself as usu - al
