I can't fight this feeling any long - er

What started out as friendship, has grown strong - er
Bm F#m E
I only wish I had the strength to let it show
A E F#m E
I tell myself that I can't hold out for - ever
Bm F#m E
I said there is no reason for my fear
A E F#m F#
Cause I feel so secure when we're together - er
Bm F#m D E
You give my life direction, you make everything so clear

bridge:

D A
And even as I wander I'm keeping you in sight
D F#m E
You're a candle in the window on a cold, dark winter's night
D F#m E D E
And I'm getting closer than I ever thought I might

And I can't fight this feeling anymore

I've forgotten what I started fighting for

And throw away the oars, forever
D A Bm D
Cause I can't fight this feeling anymore
A Bm D
I've forgotten what I started fighting for
A Bm D
And if I have to crawl upon the floor
C#m D
Come crashing through your door
E A E F#m E
Baby, I can't fight this feeling anymore -- **INTRO**

Cause you take me to the places that alone I'd never find -- **BRIDGE/CHORUS**
