Roy Orbison & Joe Melson

Key of G

Intro: Chords for last 2 lines, first verse

I was all right for a while, I could smile for awhile  
 But I saw you last night, you held my hand real tight  
 As you stopped to say "hello"  
 Oh, you wished me well, you couldn't tell  
 That I'd been crying over you, crying over you  
 When you said "So Long", left me standing all alone  
 Alone and crying, crying, crying, crying  
 It's hard to understand, but the touch of your hand  
 Can start me crying

I thought that I was over you, but it's true, so true  
 I love you even more than I did before  
 But darling, what can I do?  
 For you don't love me and I'll always be  
 Crying over you, crying over you  
 Yes, now you're gone and from this moment on  
 I'll be crying, crying, crying, crying  
 Yeah, crying, o...o...ver you
