v1:

I could fly like a bird on the wings of the wind  
 I have played in the sun with a joy deep within  
 I had laughter as a toy and a sweet for my tooth  
 In the beautiful days ~ of my youth

v2:

Everyone that I met was a friend, not a foe  
 The fears I have learned, way back then, I didn't know  
 Not one deed meant unkind, or one thought uncouth  
 In the beautiful days ~ of my youth

chorus:

But the time quickly passed and the years traveled on  
 The hopes and the dreams have diminished and gone

v3:

Now the child that I face, how familiar he seems  
 He's wearing my eyes and he's living my dreams  
 Oh, my innocent child I will spare the untruth  
 In the magical days, the sweet candy days  
 In the beautiful days ~ of your youth -- REPEAT FROM CHORUS

ending:

The beautiful days ~~~ days of your youth
