

# Devil Woman

Marty Robbins

Key of A

Intro: Chords for ending

v1:

**A**  
I told Mary about you, told her about our great sin **E7**  
Mary cried and forgave me, Mary took me back again **A**  
Said if I wanted my freedom, **A7** I could be free ever more **D**  
But I don't wanna be, **A** and I don't wanna see Mary cry anymore **E7** **A**

chorus:

**E7**  
**Oh, oh, devil woman, devil woman, let go of me**  
**E7** **A**  
**Devil woman let me be and leave me alone, I wanna go home**

v2:

Mary is waiting and weeping, down in our shack by the sea **E7**  
Even after I've hurt her, Mary's still in love with me **A**  
Devil woman, it's over, **A7** trapped no more by your charms **D**  
Cause I don't wanna stay, **A** I wanna get away, woman, let go of my arm -- **E7** **A** **CHORUS**

v3:

Devil woman you're evil, like the dark coral reef **E7**  
Like the winds that bring high tides, you bring sorrow and grief **A**  
You made me ashamed to face Mary, I barely had the strength to tell **A7** **D**  
Skies are not so black, **A** Mary took me back, Mary has broken your spell -- **E7** **A** **CHORUS**

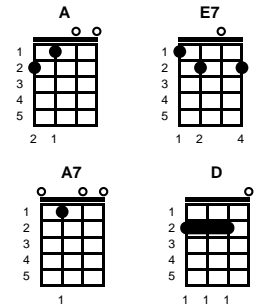

v4:

**A**  
Running along by the seashore, running as fast as I can **E7**  
Even the seagulls are happy, glad I'm coming home again **A**  
Never again will I ever, **A7** cause another tear to fall **D**  
Down the beach I see, **A** what belongs to me, the one I want most of all -- **E7** **A** **CHORUS**

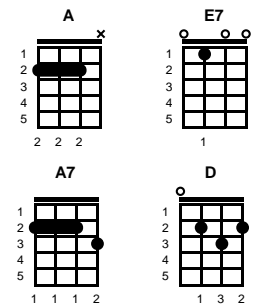

ending:

**E7** **A**  
Devil woman let me be and leave me alone, I wanna go home
