

Everybody Knows
Les Reed and Barry Mason

Key of D

Intro: Chords for chorus

v1:

D **Bm** **G** **Em**
Wish they hadn't seen her walk away
G **D** **A7**
And heard me beg her stay, please stay
D **Bm** **G** **Em**
Why, why did we choose this crowded place
G **A7** **D**
They all know it 'cause I showed it in my face

chorus:

G **Em** **A7**
Everybody knows you said goodbye
D7 **G**
Everybody knows we're through
Em **A7**
Now they all can see the tears I cried
D7 **G**
Running down my face for you

v2:

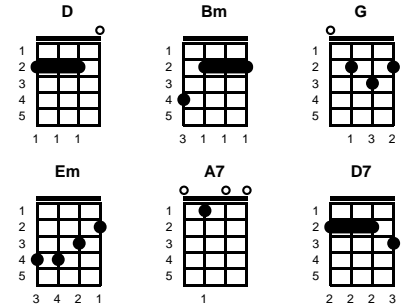

D **Bm** **G** **Em**
They all said it's too good to be true
G **D** **A7**
She'll make a fool of you, one day
D **Bm** **G** **Em**
I just laughed and said our love was strong
G **A7** **D**
But you left me and they all know I was wrong -- **REPEAT FROM CHORUS**

-- **CHORUS**

ending:

Em **A7**
Now they all can see the tears I cried
D7 **G**
Running down my face for you
