

Follow Me
John Denver

Key of D

bridge:

It's by far the hardest thing I've ever done
To be so in love with you and so alone

chorus:

Follow me where I go, what I do and who I know
Make it part of you to be a part of me
Follow me up and down, all the way and all around
Take my hand and say you'll follow me

v1:

It's long been on my mind, you know it's been a long, long time
I'll try to find the way that I can make you understand
The way I feel about you and just how much I need you
To be there where I can talk to you, when there's no one else around

-- **CHORUS**

v2:

You see, I'd like to share my life with you
And show you things I've seen
Places that I'm going to, places where I've been
To have you there beside me and never be alone
And all the time that you're with me, we will be at home

-- **CHORUS**

ending:

Take my hand and say you'll follow me
