Johnny Cash

I hear the train a comin', it's rollin' 'round the bend

And I ain't seen the sunshine, since, I don't know when

I'm stuck in Folsom Prison, and time keeps draggin' on

But that train keeps a rollin', on down to San Antone

STANDARD

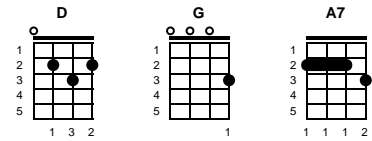

When I was just a baby, my Mama told me, "Son,

Always be a good boy, don't ever play with guns"

But I shot a man in Reno, just to watch him die

When I hear that whistle blowin', I hang my head and cry

BARITONE

I bet there's rich folks eatin', in a fancy dining car

They're probably drinkin' coffee, and smokin' big cigars

But I know I had it comin', I know I can't be free

But those people keep a movin', and that's what tortures me

Key of ;

If they freed me from this prison, if that railroad train was mine

I bet I'd move out over a little, farther down the line

Far from Folsom Prison, that's where I want to stay

And I'd let that lonesome whistle, blow my blues away

ending:

And I'd let that lonesome whistle, blow my blues away
