

Glow Worm

Lilla Cayley Robinson, Paul Lincke

Key of C

Intro - chords for: Glow little glow-worm, glow -- 2X

v1:

C Shine little **D7** glow-worm, **G7** glimmer, glimmer

Shine little glow-worm, glimmer, glimmer

Lead us lest too far we wander, love's sweet voice is callin' yonder

Shine little **D7** glow-worm, **G7** glimmer, glimmer, hey, there don't get **C** dimmer, dimmer

Light the path below, above, and lead us on to love

v2:

C Glow little **D7** glow-worm, fly of fire, glow like an incandescent **C** wire

Glow for the female of the species, turn on the AC and the DC

This night could use a little brightnin', light up you little ol' bug of lightnin'

When you gotta glow, you gotta glow, glow little glow-worm, glow

v3:

C Glow little **D7** glow-worm, glow and glimmer

Swim through the sea of night, little swimmer

Thou aeronautical boll weevil, illuminate yon woods primeval

See how the shadows deep and darken

You and your chick should get to sparkin'

I got a gal that I love so, so glow little glow-worm, glow

v4:

C Glow little **D7** glow-worm, turn the key on, you are equipped with **C** taillight neon

You got a cute vest-pocket Mazda, which you can make both slow and faster

I don't know who you took the shine to, or who you're out to make a sign to

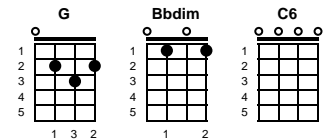

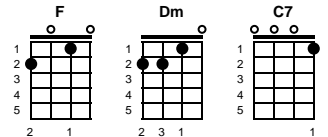

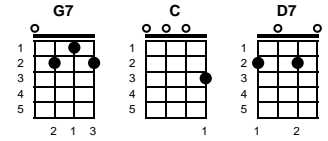

I got a gal that I love so, so glow little glow-worm, glow

ending:

Dm Glow little **G7** glow-worm, **C** glow **Bbdim**

Dm Glow little **G7** glow-worm, **C** glow **C6**
