v1:

If tomorrow all the things were gone I worked for all my life  
And I had to start again, just my children and my wife  
I thank my lucky stars, to be living here today  
'Cause the flag still stands for freedom  
And they can't take that away - And

chorus:

I'm proud to be an American, where at least I know I'm free  
And I won't forget the men who died who gave that right to me  
And I'll gladly stand up next to you, and defend her still today  
'Cause there ain't no doubt I love this land ~-

From the lakes of Minnesota, to the hills of Tennessee  
Across the plains of Texas, from sea to shining sea

There's pride in every American heart  
And it's time we stand and say - ay - That -- CHORUS
