TACET: Take the ribbon from your hair

Shake it loose and let it fall

Lay it soft against your skin

Like the shadows on the wall

TACET: Come and lay down by my side

'til the early morning light

All I'm taking is your time

To help me make it through the night

I don't care if it's right or wrong

I won't try to understand

Let the devil take tomorrow

For tonight I need a friend

And tomorrow's out of sight

And it's so sad to be alone

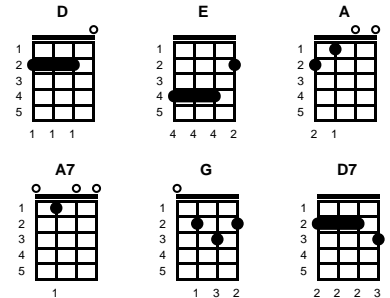

So help me make it through the night -- **REPEAT FROM CHORUS**
