

Honey Come Back
Jimmy Webb

Key of A

D G D G A D A (last 3 lines, chorus)

v1:

(SPOKEN)

Honey, I know I've said it too many times before

I said I'd never say it again

I guess I shouldn't say anything at all

Since you're supposed to belong to him

But I just can't let you go without telling you

Just how much I love you

(SING)

So that is why I'm gonna say it one more time

Chorus:

Honey come back, I just can't stand

Each lonely day's a little bit longer

Than the last time I held you

Seems like a hundred years ago

Back to his arms that never know

The joy of love that used to taste like

Honey come back where you belong but don't leave me

v2:

(SPOKEN)

Well I guess that's about all I gotta say

So I'm just gonna pack my bags and I'm gonna walk

I know those bright lights are callin' you honey

Big fine cars and fancy clothes

But if you ever want someone to just love you

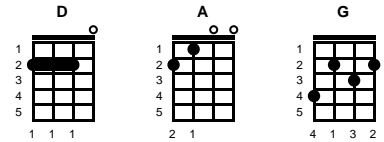

And some day you just may, just give me a call

You know where I am and here's what I'll say -- **CHORUS 2X**

ending:

Honey come back where you belong but don't leave me
