

I Can't Help It
Hank Williams

Key of D

Intro: Chords for last line of chorus

Chorus:

A7 D A7 D D7 G D
Today I passed you on the street, and my heart fell at your feet
A7 D A7
I can't help it if I'm still in love with you
D A7 D D7 G D
Somebody else stood by your side, and he looked so satisfied
A7 D G D
I can't help it if I'm still in love with you

v1:

G D
A picture from the past came slowly stealing
A7 D A7
As I brushed your arm and walked so close to you
G D
Then suddenly I got that old time feeling
A D G D
I can't help it if I'm still in love with you -- **CHORUS**

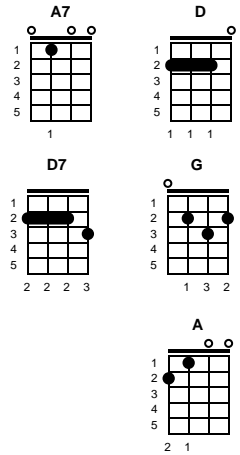

v2:

G D
It's hard to know another's lips will kiss you
A7 D A7
And hold you just the way I used to do
G D
Oh, heaven only knows how much I miss you
A D G D
I can't help it if I'm still in love with you

ending:

A D G D
I can't help it if I'm still in love with you
