Well, you done done me and you bet I felt it
 I tried to be chill but your so hot that I melted
 I fell right through the cracks, now I'm tryin to get back
 Before the cool done run out I'll be givin it my best test
 And nothin's gonna stop me but divine intervention
 I reckon it's again my turn to win some or learn some
 But I won't hesitate no more, no more, it cannot wait, I'm yours

Well open up your mind and see like me
 Open up your plans and damn you're free
 Look into your heart and you'll find love love love and love
 Listen to the music of the moment people dance and sing
 We're just one big family (Ah, la peaceful melody)
 And it's your god forsaken right to be loved loved loved loved Loved

So, I won't hesitate no more, no more, it cannot wait, I'm sure
 There's no need to complicate, our time is short
 This is our fate, I'm yours
 Scooch on over closer dear and I will nibble your ear, oh dontcha wanna

I've been spendin' way too long checkin' my tongue in the mirror
 And bendin' over backwards just to try to see it clearer
 But my breath fogged up the glass and so I drew a new face and laughed
 I guess what I'm a sayin'is there ain't no better reasons
 To rid yourself of vanity and just go with the seasons
 It's what we aim to do for our name is our virtue

I won't hesitate no more, no more, it cannot wait, I'm yours
 Well open up your mind and see like me
 Open up your plans and damn you're free
 Look into your heart and you'll find that the sky is yours
 Please don't, please don't, please don't, there's no need to complicate
 Cause our time is short, this is our fate, I'm yours
