Kris Kristofferson

Key of D

Intro: Chords for lead in

lead in:

D **A7** **G** **D**
Well it's over and nobody wins

v1:

TACET: Well it really doesn't matter whose right or wrong
We've been hurting each other for much too long
And it's too late to try to save what might have been
And it's over and nobody wins

v2:

Make believing in forever is just a lie
And it seems a little sadder each time we try
Cause it's a shame to make the same mistakes again and again
Oh, it's over and nobody wins

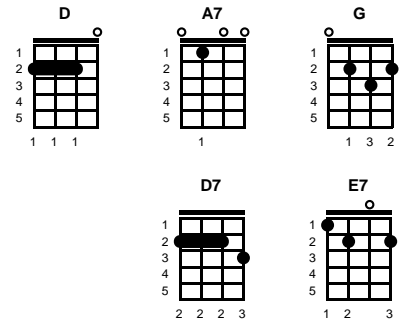

chorus:

We've gone too far, too long
Too far apart
Oh, the loving was easy
It's the living that's hard

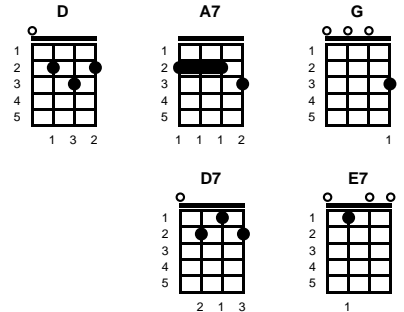

ending:

TACET: Cause there's no need to stay to see the way it is
Oh, it's over and nobody wins -- **REPEAT FROM CHORUS**
