

Let Your Love Flow

Larry E Williams

Key of C

C

v1:

There's a **C** reason for the sunny sky
There's a reason why I'm, feeling so high
Must be the **G** season when those love lights shine all around us **C** **F** **C**
So let that feeling grab you deep inside
And send you reeling where your love can't hide
And then go stealing through the moonlit night with your lover **C**

chorus:

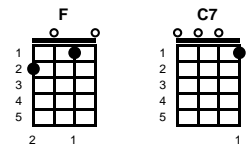

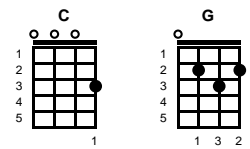

C7 **F**
Just let your love flow like a mountain stream
And let your **C** love grow with the smallest of dreams
And let your **G** love show and you'll know what I mean, it's the season **C** **C7**
Let your **F** love fly like a bird on the wing
And let your **C** love bind you to all living things
And let your **G** love shine and you'll know what I mean, that's the reason **C**

v2:

There's a **C** reason for the warm sweet nights
And there's a reason for the candle lights
Must be the **G** season when those love lights shine all around us **C** **F** **C**
So let that wonder take you into space
And lay you under its loving embrace
Just feel the thunder as it warms your face, you can't hold back **C**
