Let's Get Together

Chet Powers

D

v1:

D   **C**
Love is but a song we sing, and fear's the way we die
D   **C**
You can make the mountains ring..or make the angels cry
D   **C**
Though the dove is on the wing, and you may not know why

    chorus:
    G   **A**
    C'mon people now.. smile on your brother
       D
    Everybody get together
    G   **A**   **D**   **G**   **D**   **A7**
    Try to love one another right now

v2:

D   **C**
Some will come and some will go, and we shall surely pass
D   **C**
When the one who left us here.. returns for us at last
D   **C**
We are but a moment's sunlight.. fading on the grass -- ==CHORUS==

v3:

D   **C**
If you hear the song I sing.. you must understand
D   **C**
You hold the key to love and fear.. in your trembling hand
D   **C**
Just one key unlocks them both, it's there at your command -- ==CHORUS==

ending:
    G   **A**   **D**   **G**   **D**   **G**   **D**
Try to love one another right now   ~~   Right now!
