

Little Deuce Coupe¹ (Brian Wilson and Roger Christian, 1963) (G)

Little Deuce Coupe by The Beach Boys (1963) (Ab @ 135) (also in C# & F)

C F C | C
Little deuce coupe, you don't know what I got
Little deuce Coupe, you don't know what I got

C
Well I'm not braggin', babe, so don't put me down,
But I've got the fastest set of wheels in town.

F
When something comes up to me, he don't even try,
C
Cause if it had a set of wings, man, I know she could fly.

Chorus

G Dm G7 C | C
She's my little deuce Coupe, ___ you don't know what I got
Little deuce Coupe, you don't know what I got

C
She's just a little deuce coupe with a flat head mill,
But she'll walk a Thunderbird like she's it's standin' still.

F
She's ported and relieved and she's stroked and bored.

C
She'll do a hundred and forty in the top end, floored. **Chorus**

Bridge

F
She's got a competition clutch with the four on the floor,

C
And she purrs like a kitten till the Lake pipes roar.

F
And if that ain't enough to make you flip your lid,

D G
There's one more thing: I got the pink slip, Daddy.

C
And comin' off the line when the light turns green,
Well she blows 'em outta the water like you've never seen.

F C
I get pushed out of shape and it's hard to steer, when I get rubber in all four gears.

Outro *Repeat Chorus (3x)*

¹ "Little Deuce Coupe" refers to a 1932 Ford Model 18, a popular car during the hot rod era of the 1960s. "Little Saint Nick" was a spin-off from this song.
