

Intro: Chords for last line of chorus

v1:

In a bar in Toledo across from the depot  
On a bar stool she took off her ring  
I thought I'd get closer, so I walked on over  
I sat down and asked her her name  
When the drinks finally hit her, she said I'm no quitter  
But I finally quit living on dreams  
I'm hungry for laughter and here ever after  
I'm after whatever the other life brings

v2:

In the mirror I saw him and I closely watched him  
I thought how he looked out of place  
He came to the woman who sat there beside me  
He had a strange look on his face  
The big hands were calloused, he looked like a mountain  
For a minute I thought I was dead  
But he started shaking, his big heart was breaking,  
He turned to the woman and said

chorus:

You picked a fine time to leave me, Lucille  
With four hungry children and a crop in the field  
I've had some bad times, lived through some sad times  
But this time your hurtin won't heal  
You picked a fine time to leave me Lucille

v3:

After he left us I ordered more whiskey  
I thought how she made him look small  
From the lights of the barroom to a rented hotel room  
We walked without talking at all  
She was a beauty, but when she came to me  
She must've thought I'd lost my mind  
I couldn't hold her cause the words that he told her  
Kept coming back time after time -- CHORUS
