

# Pick Me Up On Your Way Down

Harlan Howard

Key of C

**C**

**v1:**

**C**  
You were mine for just a while  
Now your putting on a style  
And you've never once looked back  
At your home across the track  
You're the gossip of the town  
But my heart can still be found  
Where you tossed it on the ground  
Pick me up on your way down

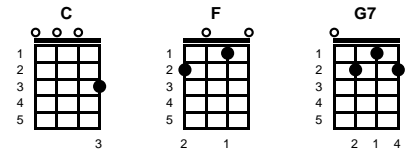

**chorus:**

**C**  
Pick me up on your way down  
When you're blue and all alone  
When their glamour starts to bore you  
Come on back where you belong  
You may be their pride and joy  
But they'll find another toy  
And they'll take away your crown  
Pick me up on your way down

**v2:**

**C**  
They have changed your attitude  
Made you haughty and so rude  
Your new friends can take the blame  
Underneath you're still the same  
When you learn these things are true  
I'll be waitin here for you  
As you tumble to the ground  
Pick me up on your way down -- CHORUS
