

Rose Garden

Joe South

Key of D

D F G A G F D G D

chorus:

I beg your pardon, I never promised you a rose garden
Along with the sunshine, there's gotta be a little rain sometimes

post-chorus 1:

When you take you gotta give, so live and let live or let go-o-o
I beg your pardon, I never promised you a rose garden

v1:

I could promise you things like big diamond rings
But you don't find roses growing on stalks of clover
So you better think it over
When it's sweet talkin' you, could make it come true
I would give you the world right now on a silver platter
But what would it matter

bridge:

So smile for a while and lets be jolly
Love shouldn't be so melancholy
Come along and share the good times while we can.... -- CHORUS

post-chorus 2:

I beg your pardon I never promised you a rose garden

v2:

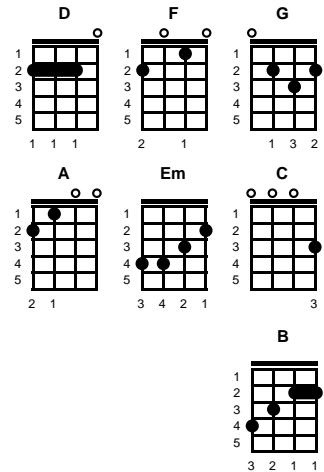

I could sing you a tune and promise you the moon
But if that's what it takes to hold you, I'd just as soon let you go
But there's one thing I want you to know
You better look before you leap, still waters run deep
And there won't always be someone there, to pull you out
And ya know what I'm talking about -- BRIDGE & CHORUS

ending:

I beg your pardon, I never promised you a rose garden
Along with the sunshine, there's gotta be a little rain sometimes
