

Run To Me (Barry, Robin & Maurice Gibbs)

C **Bb**
 If ever you got rain in your heart,
Am **F** **Am Dm**
 Someone has hurt you, and torn you apart,
G **C**
 Am I unwise to open up your eyes to love me?

C **Bb**
 And let it be like they said it would be -
Am **F** **Am Dm**
 Me loving you girl, and you loving me.
G **C**
 Am I unwise to open up your eyes to love me?

Chorus:

C **Em**
 Run to me whenever you're lonely
F **Fm**
 Run to me if you need a shoulder
C **Bb** **A**
 Now and then, you need someone older,
Fm **G** **C**
 So darling, you run to me.

C **Bb**
 And when you're out in the cold,
Am **F** **Am Dm**
 No one beside you, and no one to hold,
G **C**
 Am I unwise to open up your eyes to love me?

C **Bb**
 And when you've got nothing to lose,
Am **F** **Am Dm**
 Nothing to pay for, nothing to choose,
G **C**
 Am I unwise to open up your eyes to love me?

(Chorus) (2X)
