v1:

I've got your picture that you gave to me  
 And it's signed with love, just like it used to be  
 The only thing different, the only thing new  
 I've got your picture, she's got you

v2:

I've got the records that we used to share  
 And they still sound the same as when you were here  
 The only thing different, the only thing new  
 I've got the records, she's got you

chorus:

I've got your memory, or has it got me?  
 I really don't know, but I know it won't let me be

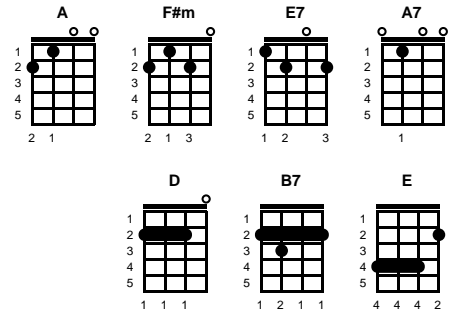

v3:

I've got your class ring, that proved you cared  
 And it still looks the same as when you gave it dear  
 The only thing different, the only thing new  
 I've got these little things, she's got you -- CHORUS

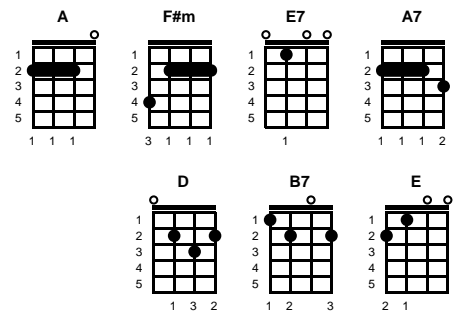

ending:

I've got your class ring, that proved you cared  
 And it still looks the same as when you gave it dear  
 The only thing different, the only thing new  
 I've got these little things, she's got you  
 I've got these little things, she's got you
