

Shower The People

James Taylor

Key of D

D D A A

You can play the game, you can act out the part
 Though you know it wasn't written for you
 But tell me, how can you stand there with your broken heart
 Ashamed of playing the fool
 When one thing can lead to another, it doesn't take any sacrifice
 Oh, father and mother, sister and brother
 If it feels nice, don't think twice

chorus:

Just shower the people you love with love
 Show them the way that you feel
 Things are gonna work out fine if you only will
 Shower the people you love with love, show them the way that you feel
 Things are gonna be much better if you only will

You can run but you cannot hide, this is widely known
 And what you plan to do with your foolish pride
 When you're all by yourself, alone
 Once you tell somebody the way that you feel
 You can feel it beginning to ease
 I think it's true what they say about the squeaky wheel
 Always getting the grease

chorus:

Better to shower the people you love with love
 Yes, and show them the way that you feel
 I know things are gonna be just fine if you only will
 Shower the people you love with love, show them the way that you feel
 Things are gonna be much better if you only will

ending (4x & FADE):

Show the people you love with love, show them the way that you feel
