

# Sing Me Back Home

Merle Haggard

Key of C

Intro: Chords for ending

v1:

**C**  
The warden led a prisoner  
**F** **G7**  
Down the hallway to his doom  
**C**  
I stood up to say goodbye like all the rest  
**G7**  
I heard him tell the warden  
**F** **C**  
Just before he reached my cell  
**G7** **C** **F** **C**  
Let my guitar playing friend do my request

chorus:

**G7**  
Let him sing me back home  
**F** **C**  
With the songs I used to hear  
**G7**  
And make my old memories come alive  
**C** **G7** **F** **C**  
Take me away and turn back the years  
**G7** **C** **F** **C**  
Sing me back home before I die

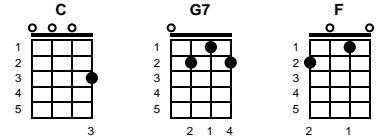

v3:

**G7**  
I recall last Sunday morning  
**F** **C**  
A choir came off the street  
**G7**  
Came in to sing a few old gospel songs  
**C** **G7**  
I heard him tell the singers  
**F** **C**  
There's a song my mamma sang  
**G7** **C** **F** **C**  
Could I hear it once before you move along -- **CHORUS**

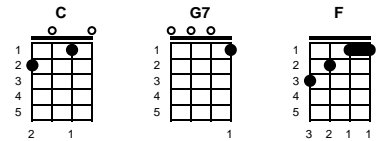

ending:

**G7** **C** **F** **C**  
Sing me back home before I die
