

Snowbird
Gene McLellan

Key of G
2/4

G Bm Am Am D D D7 G G

v1:

G
Beneath it's snowy mantle cold and clean
D **Bm** **Am**
The unborn grass lies waiting for its coat to turn to green
D **D7** **G**
The snowbird sings the song he always sings
D **Bm** **Am** **D7** **G**
And speaks to me of flowers that will bloom again in spring

v2:

D **Bm** **Am**
When I was young my heart was young then too
D **D7** **G**
Anything that it would tell me that's the thing that I would do
Bm **Am**
But now I feel such emptiness within
D **D7** **G**
For the thing that I want most in life's the thing that I can't win

chorus:

Bm **Am**
Spread your tiny wings and fly away
D **D7** **G**
And take the snow back with you where it came from on that day
Bm **Am**
The one I love forever is untrue
D **D7** **G**
And if I could you know that I would fly away with you

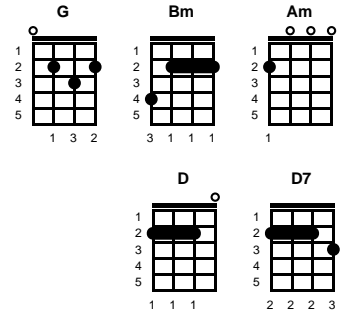

v3:

Bm **Am**
The breeze along the river seems to say
D **D7** **G**
That he'll only break my heart again should I decide to stay
Bm **Am**
So little snowbird take me with you when you go
D **D7** **G**
To that land of gentle breezes where the peaceful waters flow -- **CHORUS**

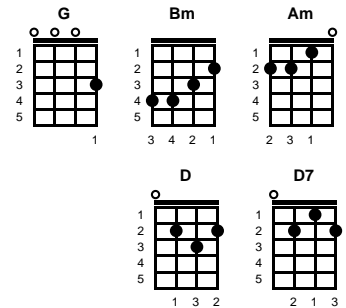

ending:

D **D7** **G**
Yeah if I could you know that I would fly away with you
