

Sometimes When We Touch

Dan Hill & Barry Mann

Key of D

D

v1:

D G A7 F#m
 You ask me if I love you and I choke on my reply
 D Bm E7 A7
 I'd rather hurt you honestly than mislead you with a lie
 G A7 D F#m Bm
 And who am I to judge you on what you say or do
 G D E7 A7 G A7
 I'm only just beginning to see the real you ..

chorus:

D G A7 F#m
 And sometimes when we touch, the honesty's too much
 Bm E7 A7 G A7
 And I have to close my eyes and hide ..
 D G
 I want to hold you til I die
 A7 F#m
 Until we both break down and cry
 G A7 D
 I want to hold you til the fear in me subsides...

v2:

G A7 F#m
 Romance and all its strategy leaves me battling with my pride
 D Bm E7 A7
 But through the insecurity, some tenderness survives
 G A7 D F#m Bm
 I'm just another writer still trapped within my truths
 G D E7 A7 G A7
 A hesitant prizefighter still trapped within my youth .. -- CHORUS

bridge:

A7 G A7 F#m
 At times I'd like to break you and drive you to your knees
 D Bm E7 A7 G A7
 At times I'd like to break through and hold you endlessly ..

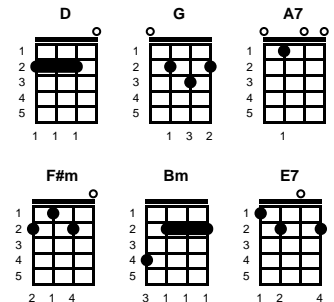

v3:

D G A7 F#m
 At times I understand you, and I know how hard you try
 D Bm E7 A7
 I've watched while love commands you, and I've watched love pass you by
 G A7 D F#m Bm
 And at times I think we're drifters, still searching for a friend
 G D E7 A7 G A7
 A brother or a sister, but then the passion flares again .. -- CHORUS

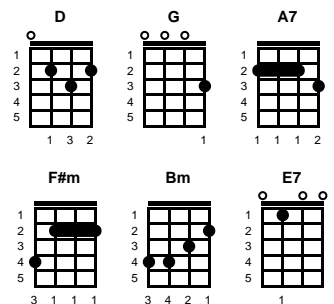

ending:

G A7 D G D
 I want to hold you til the fear in me subsides
