**C** **F**  
If you start me up, if you start me up, I'll never stop.

**C** **F**  
If you start me up, if you start me up, I'll never stop.

**C** **F**  
I've been running hot, you got me rifting, gonna blow my top,

**C** **F**  
If you start me up, if you start me up, I'll never stop, never stop, never stop

**G** **C** **G** **C** **G** **C**  
You make a grown man cry, you make a grown man cry, you make a grown man cry!

**G** **C** **F**  
Spread out the oil, the gasoline, I walk smooth, ride in a mean, mean machine.

**C** **F**  
Start it up, kick on the starter give it all you got,

**C** **F**  
I can't compete with the riders in the other heats.

**C** **F**  
If you rough it up, if you like it I can slide it up, slide it up, slide it up, slide it up

**G** **C** **G** **C** **G** **C**  
Don't make a grown man cry, don't make a grown man cry, don't make a grown man cry!

**G** **C** **F**  
My eyes dilate, my lips go green, my hands are greasy, she's a mean, mean machine.

**C** **F**  
Start me up, Ah, give it all you got! You got to never, never, never stop

**C** **F**  
Slide it up, never, never slide it up!

**G** **C** **G** **C** **G** **C**  
You make a grown man cry, you make a grown man cry, you make a grown man cry!

**G** **C** **F**  
Ride like the wind at double speed, I'll take you places that you've never, never seen.

**C** **F**  
Tough me up, let me tell you we will never stop, never stop never never never stop

**C** **F**  
Tough me up, let me tell you we will never stop, never stop

**C** **F**  
You, you, you make a grown man cry!

**C** **F**  
You, you make a dead man moan!

**C** **F**  
You, you, you make a dead man moan
