

**Still (After All This Time)**  
Bill Anderson

Key of D

Intro: Chords for ending

chorus:

**D** **D7**  
Still though you broke my heart  
**G** **D** **A7**  
Still though we're far apart, I ~~ love you still  
**D** **D7**  
Still, after all this time  
**G** **D** **A7** **G** **D**  
Still, got you on my mind, I ~~ love you st----ill

spoken:

I lost count of the hours, and I've lost track of the days  
**G**  
In fact I've lost just about everything since you went away  
**D**  
Everything that is except the memories you left me  
**A7**  
And that's one thing no man can ever mar  
**D**  
I don't know who you're with, I don't even know where you are  
**G**  
My only hope is that someday you might hear this song  
**D**  
And you'll know I wrote it especially for you  
**A7** **D**  
And I love you, ~~ wherever you are -- **CHORUS**

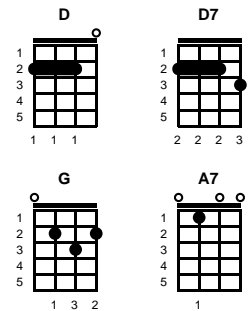

spoken:

This flame in my heart is like a torch of fire  
**G**  
For everyday it burns hotter and everyday it burns brighter  
**D**  
And I haven't been able to put out one little flicker  
**A7** **D**  
Not even with all of these tears, my friends say I'm crazy, and, maybe I am  
**G**  
But I'll carry this torch just as long as I can  
**D**  
For someday you just might decide to come home  
**A7** **D**  
And I want you to know ~~ I'm still here -- **CHORUS**

ending:

**D** **A7** **G** **D**  
I ~~ love you st----ill
