v1:

Dsus4   **D**   **D**sus4   **D**   **B**m   **E**m7
La----------dy,   mor--ning's just a moment   away

     A7sus4   **D**sus4   **D**
And I'm   without you once   again

     Dsus4   **D**
You laughed at   me

     Dsus4   **D**   **B**m   **E**m7
You said you never needed   me

     A7sus4   **D**sus4   **D**
I wonder if you need   me   now

chorus1:

        Gmaj7   **E**m7
So many dreams that flew away

    A   **D**maj7   **D**7
So many   words we didn't say

        Gmaj7   **E**m7
Two people lost in a storm

      A   **D**maj7   **D**7
Where did we go?   Where'd we go?

    Gmaj7   **E**m7
We lost what we both had found

      A   **D**maj7   **D**7
You know we let each other down

        Gmaj7
But then most of all

G   **E**m7
I   do   love   you   -- <mark>BREAK</mark>

        D
<mark>**TACET:**</mark> **Still...**

interlude:

   Dsus4   **D**   **D**sus4   **D**   **B**m   **E**m7
(La----------dy,   mor--ning's just a moment   away)

     A7sus4   **D**sus4   **D**
(And I'm   without you once   again)

chorus2:

        Gmaj7   **E**m7
We played the games that people play

    A   **D**maj7   **D**7
We made our mistakes along the way

        Gmaj7   **E**m7   **A**   **D**maj7
Somehow I know deep in my heart   you needed   me

       D7   **G**maj7   **E**m7
**'Cause I needed you so desperately**

      A   **D**maj7   **D**7
We were too blind to see

        Gmaj7
But then most of all

G   **E**m7
I   do   love   you   -- <mark>BREAK</mark>

       D   **D**sus4   **D**
<mark>**TACET:**</mark> **Still**
