STANDARD

v1:

Because I was afraid to speak, when I was just a lad,
Me father gave me nose a tweak and told me I was bad.
But then one day I learned a word to save me aching nose,
The biggest word you've ever heard, and this is how it goes: -- **CHORUS**

BARITONE

v2:

He traveled all around the world and everywhere he went,
He'd use his word and all would say, "There goes a clever gent".
When dukes and maharajas pass the time of day with me,
I say me special word and then they ask me out to tea. -- **CHORUS**

v3:

So when the cat has got your tongue, there's no need for dismay,
Just summon up this word, and then you've got a lot to say.
But you better use it carefully, or it could change your life,
One night I said it to me girl, and now me girl's me wife!

She's ^Csupercalifragilistic^Gexpialidocious!
