Take This Job And Shove It
David Allen Coe

Key of D

Intro: Chords for last line, v1

chorus:
     D   **G7**   **D**
==TACET:== **Take this job and shove it, I ain't workin here no more**

My woman done left and took all the reasons
E   **A7**
I was working for
      D
You better not try to stand in my way
       G7   **D**
Cause I'm walking out the door
G7   **D**   **A7**   **D**
Take this job and shove it, I ain't workin here no more

v1:
     D7
I've been working in this factory for nigh on fifteen years
G7   **A7**
All this time I watched my woman drownin in a pool of tears
   D7   **G7**   **D7**
And I've seen a lot of good folk die that had a lot bills to pay
G7   **D**   **A7**   **D**
I'd give the shirt right off of my back if I had the guts to say -- ==BREAK/CHORUS==

v2:
     D7
Well the foreman he's a regular dog the line boss he's a fool
G7   **A7**
Got a brand new flat top haircut lord, he thinks he's cool
D7   **G7**
One of these days I'm gonna blow my top, that sucker
      D7 **G7**   **D**
He's gonna pay, lord, I can't wait to see their faces
   A7   **D**
When I get the nerve to say   -- ==BREAK/CHORUS==

ending:
G7   **D**   **A7**   **D**
Take this job and shove it, I ain't workin here no more
