

# The Lovelight in Your Eyes

Jerry Santos (memory of Robert Beaumont)

Intro: Chords for ending

v1:

**F** **Gm**  
We were the best of friends  
**C7** **F**  
And where your road leads off my own begins  
**Gm** **C7**  
To see what tomorrow brings, without you beside me

v2:

**F** **Gm**  
I'll keep wondering  
**C7** **F**  
Searching now - the next song to sing  
**Gm** **C7** **F**  
But I will be remembering, the lovelight in your eyes

v3:

**Gm** **C7**  
There always by my side, you saw life just like me  
**F**  
You lived it with a fire, oh  
**Bb** **Gm** **C7**  
And oh how I cried for you, you never saw the dream come true

bridge:

**F** **Gm**  
But I'll sing songs we shared  
**C7** **F**  
I'll try to pass them on with love and care  
**Bb**  
'Cause you'll be always there  
**Gm** **C7** **Bb** **F**  
Beside me, guiding me, ooooooh, love you  
**Bb** **F** **C7**  
Ooooooh, love is real - eal

v4:

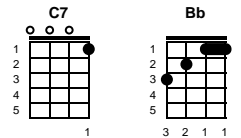

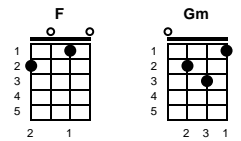

**F** **Gm**  
We were the best of friends  
**C7** **F**  
And where your road leads off my own begins  
**Gm** **C7** **F**  
But I will be remembering, the lovelight in your eyes

ending:

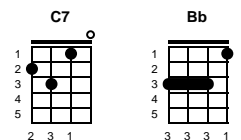

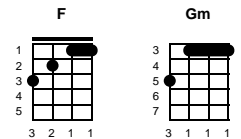

**F** **Gm** **C7** **F**  
Yes, we will be remembering, the lovelight -- in your eyes
