**F**  
Nobody loves me, everybody hates me

Think I'll eat some wor---r---rms

Long thin skinny ones, short fat juicy ones,  
**F**

Watch them wriggle and squirm

You bite their heads off, suck their guts out

**C**  
Throw their skins away---ay---ay

And nobody knows how well we'll live

**F**  
On worms three times a day

Long thin skinny ones slip down easily

**C**  
Big fat juicy ones sti---i---ick

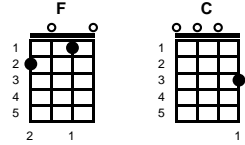

Hold your head back, squeeze their tail

**F**  
And the juice goes click, click, click

**ending:**

**C** **F**  
And the juice goes click, click, click
