

Key C

Get Together (Jesse Colin Young)

Intro: C F (3x)

C **Bb**
 Love is but a song we sing, fear's the way we die
C **Bb**
 You can make the mountains ring, or make the angels cry
C **Bb**
 Though the bird is on the wing, you may not know why

CHORUS:

F **G**
 Come on people now, smile on your brother
C
 Everybody get together
F **G** **C**
 Try to love one another right now

C **Bb**
 Some may come and some may go, you will surely pass
C **Bb**
 When the one who left us here, returns for us at last
C **Bb**
 We are but a moment's sunlight, fading in the grass...

(CHORUS)

C **Bb**
 If you hear the song we sing, you will understand
C **Bb**
 You hold to key to love and fear - all in your trembling hand
C **Bb**
 Just one key unlocks them both, it's there at your command ...

(CHORUS 2X)

F **G** **C**
 Try to love one another right now ... right now....right now....
