

PFFT! You was gone! (Susan Hearther)

Chorus: (after every verse)

C **F** **C**
 Where, oh where, are you tonight?
G7
 Why did you leave me here all alone?
C
 I searched the world over,
F **C**
 And I thought I'd found true love,
G7 **C**
 You met another, and PFFT! You was gone!"

C **F** **C**
 Down here on the farm the weather gets messy
G7

Laying around with nothin' to do
C **F** **C**
 When you went away, you took my cow, Bessie
G7 **C**

I miss her, my darling, more than I miss you!
 You took out your leg, your wig and your eye glass
 And you were surprised at the look on my face
 I wanted to kiss you, I wanted to hug you
 But you were scattered all over the place!

I know that you loved me, here's my way of knowing
 The proof's hanging out right here on the line
 When I see the snow and feel the wind blowing
 Your nightie's hugging them long johns of mine!

The noises you made at our supper table
 Your habits, my dear, were surely absurd
 But how many times do I have to tell you
 Soup is a dish to be seen and not heard!

I went to your house at three in the morning
 You had all them curlers and junk in your hair
 You would not have scared me and I'd not have run so
 If you had not looked like you'd wrestled a bear!

I told you my darlin' you looked like a gopher
 Made you so mad, you haven't spoke since
 But tell me my darling if you ain't got buck teeth
 How do you eat apples through a picket fence?

When I picked you up for our date last weekend
 You looked so pretty in your satin and lace
 But when I bent over and started to kiss you,
 You popped a pimple all over my face!

Well I had six kids and you had seven
 Together we had eight more and the they grew like flowers
 I wish you you'd come back, without you ain't heaven
 'Cause your kids and my kids are beating up ours!

Your mother moved in and we lovingly told her,
 Our house is your home 'cause you're growing old
 She took it to heart nobody could hold her
 She sold the house now we're out in the cold!

Remember you phoned me a-sobbin' and cryin'
 The dog bit your maw, and drug her around
 You said she looked pale and thought she was dyin'
 I said, "Don't worry, I'll buy a new hound!"

I'd loved you so good when cornfields were frosted
 And I put away my horses and carts
 I loved you, my dear, till I was exhausted
 And come the springtime, I needed new parts

Now we got along my life was real sunny
 But only one thing would ruin our fun
 I know you love me but you worship money
 And you got mad when I offered you none

When I told you I had thoughts of retirin'
 When I reach the age of three score and ten
 You said I'd get tired of rockin' and thinkin'
 Maybe at eighty I'd start work again

I'm tellin' you now, there ain't nothin' duller
 I'm telling the truth on that you can bet
 Than sitting with her while she dunks her cruller
 One thing is certain you wind up all wet

That night we met it was dark and cloudy
 She gave me a kiss that made my heart thrill
 But she won my heart when she hollered "howdy!"
 I fell in love with that gal Minnie Pearl

Now Tammy told me that your love was icy
 Said you spent your time attending the sheep
 And your words were never so tender and spicy
 Instead of lovin' you went right to sleep

You said he was tall and ruggedly handsome
 To capture his heart you had made a plan
 You said for his love you'd pay a big ransom
 Said Johnny Cash was your kind of man
