Sleigh Ride by The Ronettes

**4 Measure Introduction:** C | Am | Dm | G7 |

**G7**                      **C**                                      **Dm**                                      **C - Dm**

Just hear those sleigh bells jing-a-ling, Ring ting ting-a-ling too.

**C**                                      **Dm**                                      **C - Dm**

Come on it's lovely weather for a sleigh ride together with you.

**C**                                      **Dm**                                      **C - Dm**

Outside the snow is falling and friends are calling 'you hoo!'

**C**                                      **Dm**                                      **C - G7**

Come on it's lovely weather for a sleigh ride to-gether with you.

**C**                                      **Dm**                                      **C - Dm**

Our cheeks are nice and rosy and comfy cozy are we.

**C**                                      **Dm**                                      **C - Dm**

We're snuggled up together like two birds of a feather would be.

**C**                                      **Dm**                                      **C - Dm**

Let's take that road before us and sing a chorus or two.

**C**                                      **Dm**                                      **C - G7**

Come on it's lovely weather for a sleigh ride together with you.

**2<sup>nd</sup> time through, repeat last line 3x.**

**Outro with C | Am | Dm | G7 | C (Hold)**

**Cmaj7**                                      **C6**  
There's a birthday party at the home of farmer Grey

**Cmaj7**                                      **C6**  
It'll be the perfect ending of a perfect day

**C**                                      **Dm**                                      **C**                                      **E7**                                      **Am**  
We'll be singing the songs we love to sing with-out a single stop

**E7**                                      **Em**                                      **G7**  
At the fireplace while we watch the chestnuts pop. Pop! Pop! Pop!

**Cmaj7**                                      **C6**  
There's a happy feeling nothing in this world can buy,

**Cmaj7**                                      **C6**  
When they pass around the cider and the pumpkin pie.

**C**                                      **Dm**                                      **C**                                      **E7**                                      **Am**  
It'll nearly be like a picture print by Curri-er & Ives.

**G**                                      **G7**  
These wonderful things are the things we re-mem-ber all through our lives.

**Repeat From Beginning**
