

I Can Make You A Man

[FRANK]

A [C!]weakling weighing [E!]ninety-eight pounds

Will get [Am!]sand in his face

When [F! X]kicked to the ground

And [F]soon in the gym

With a [D]determined chin

The [C]sweat from his pores

As he [A]works for his cause [X]

Will make him glisten [D!]

And gleam, and with [G!]massage

And just a little bit of [G7!]steam

He'll be [F STRUMMING]pink and quite [C]clean

He'll be a [G]strong man [F7]Oh, honey!

[ALL]

But the [C]wrong man [G! X]

[FRANK]

He'll eat [C]nutritious, [E]high protein

And [Am]swallow raw [A7]eggs

[F]Try to build up his [D]shoulders

His chest, arms, and legs

[C]Such an effort

If he only [A]knew of my plan

In [Dm]just seven days [G!]

[ALL]

[X]I can make you a [F]man [C] [X]

[FRANK]

He'll do [C]press-ups and [E]chin-ups

Do the [Am]snatch, clean, and [A7]jerk

He [F]thinks dynamic tension

[D]Must be hard work

[C]Such strenuous living

I just [A]don't understand

When in [Dm]just seven days [G!]Oh, baby

[ALL]

[X]I can make you a [F]man [C ROLL]
