

Over At the Frankenstein Place

Sounds best with a capo on 2nd – like the original

[D!][D!][D!][D!] [D!][D!][D!][D!] x4

[JANET]

[D]In the velvet darkness of the blackest night

[G]burning bright, there's a guiding [D]star

No matter [B7]what or [E]who you [A]are

[CHORUS]

There's a [D]light

[D]Over at the Frankenstein Place

There's a [G]light

[Gm]Burning in the Fireplace

There's a [D]light, lig[B7]ht

In the [E]darkness of [A]everybody's [D]life

[RIFF RAFF]

[D]The darkness must [F#m]go

Down the [Bm]river of nights [F#m]dreaming

[D]Flow Morphia [F#m]slow

Let the [Bm]sun and light come [F#m]streaming

Into my [G]life,

Into my [A]life

[CHORUS]

There's a [D]light

[D]Over at the Frankenstein Place

There's a [G]light

[Gm]Burning in the Fireplace

There's a [D]light, lig[B7]ht

[JANET]

In the [E]darkness of [A]everybody's [D ROLL]life
