G                                        D7
Devil woman you're evil, like the dark coral reef
                                              G
Like the winds that bring high tides, you bring sorrow and grief
                              G7                  C
You made me ashamed to face Mary, Mary had the strength to tell
                        G          D7              G
Skies are not so black, Mary took me back, Mary has broken your spell

```
G                                           D7
Running along by the seashore, running as fast as I can
                                          G

Never again will I ever, cause another tear to fall
