G A C Em G D A

Em There's a lady who's **D** sure

All that **G** glitters is **A** gold

And she's **C** buying a stairway to **D Em** heaven

Em When she gets there she **D** knows

If the **G** stores are all **A** closed

With a **C** word she can get what she **D Em** came for

G A C Em
Ooh ooh ooh ooh

And she's **G** buying a **D** stairway to **A** heaven

There's a **G** sign on the **A** wall

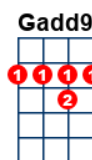

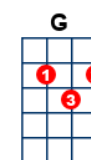

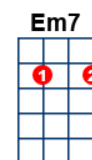

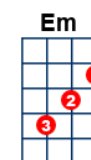

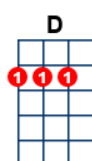

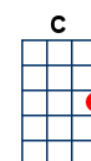

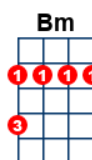

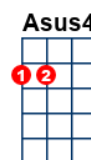

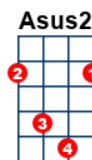

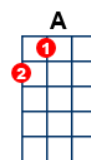

But she **C** wants to be **Em** sure

'Cause you **G** know sometimes **A** words have two **C** meanings

In a **Em** tree by the **D** brook

There's a **G** songbird who **A** sings

Sometimes all of her **C** thoughts are **D Em** misgiven

Em D G A C D Em

Em7 Asus4 A Oh, it makes me **Em7 Bm A G A** wonder

Em7 Asus4 A Oh, it makes me **Em7 Bm A G A** wonder

There's a **G** feeling I **D** get

When I **Em** look to the west

And my **G** spirit is **D** crying for **C Em** lea-ving

In my **G** thoughts I have **D** seen

Rings of **Em** smoke through the trees

And the **G** voices of those who **D C Em** stand look-ing

Em7 Asus4 A Oh, and it makes me **Em7 Bm A G A** wonder

Em7 Asus4 A Oh, it really makes me **Em7 Bm A G A** wonder

And it's **G** whispered that **D** soon

If we all **Em** call the tune

And the **G** piper will **D C Em** lead us to reason

And the **G** new day will **D** dawn

For **Em** those who stand long

And the **G** forest will **D C Em** echo with laughter

(Does anyone remember laughter?)

Oh ho ho

G D Em
If there's a bustle in your hedgerow,
Don't be alarmed now
G D C Em
It's just a spring clean for the May queen

G D Em
Yes, there are two paths you can go by
But in the long run
G D C Em
There's still time to change the road you're on

G D Em A

And it makes me wonder **Em A Em A Em A**
Oh ho ho

G D Em
Your head is humming and it won't go
In case you don't know
G D C Em
The piper's calling you to join him

G D Em
Dear lady can you hear the wind blow
And did you know
G D C Em
Your stairway lies in the whispering wind?

Em D C D
And as we wind on down the road
Em D C D
Our shadows taller than our soul
Em D C D
There walks the lady we all know

Em Who shines white light and **D** wants to **C** how

D Em How everything s till turns to **D** gold **C D**

Em And if you listen **D** very **C** hard **D**

Em The truth will come to **D** you at **C** last **D**

Em When all are one and **D** one is **C** all **D**

Em To be a rock and **D** not to **C** roll **D**

And she's **C** buying a stairway to **D Em** heaven
