It's astounding; time is fleeting madness takes its toll. But listen closely not for very much longer I've got to - keep control. D I remember - doing the Time Warp Drinking those moments when the blackness would hit me - and the void would be calling.... Let's do the Time Warp again! It's just a jump to the left - and then a step to the ri-ight With your hands on your hips - you bring your knees in tight But it's the pelvic thrust - that really drives you insa-ane D Let's do the Time Warp again! (x2) It's so dreamy - oh fantasy free me! So you can't see me - no not at all. In another dimension, with voyeuristic inten-tion, Well secluded I'll see all. With a bit of a mind flip - you're into the time slip Nothing can ever be the same You're spaced out on sensation - like you're under sedation! G Let's do the Time Warp again! (x2)
