

You leave them **Em** laughing **F** when you **C** go,

And if you **F** care don't **Dm** let them know, don't give yourself a-way. **G**

I've **C** looked at love from **F** both sides **C** now,

From **F** give and **C** take, and **F** still somehow **C**

It's **Em** love's **F** illusions **C** I recall

I **F** really don't know **G** love **G7** **G** **C** **Dm** **C** **G** at all.

**C** Tears and fears and **F** feeling **C** proud,

To say "I **Em** love you" **F** right out **C** loud;

Dreams and **F** schemes and **Dm** circus crowds;

I've looked at life that **G** way.

But **C** now old **Dm** friends are **F** acting **C** strange,

They shake their **Em** heads; they **F** say I've **C** changed

But something's **F** lost and **Dm** something's gained in living every **G** day

I've **C** looked at life from **F** both sides **C** now,

From **F** win and **C** lose, and **F** still somehow **C**

It's **Em** life's **F** illusions **C** I recall

I **F** really don't know **C** life **Dm** **G** **G7** **C** at all.
